SUMMER COLLECTION 2026

INTRODUCING VPX — PLUS SIZE FASHION. REDEFINED.

designed for women who lead
— with clarity, direction, and
presence.

our first collection marks a new
beginning in plus size fashion:
clean silhouettes, expressive
cuts, and fabrics that move
with light and strength.

in six vibrant themes, colour
takes the lead. contrasts play,
florals bloom, denim flows —
and every piece is created to
feel intentional, effortless, and
made to be seen.

this is VPX. summer 2026.

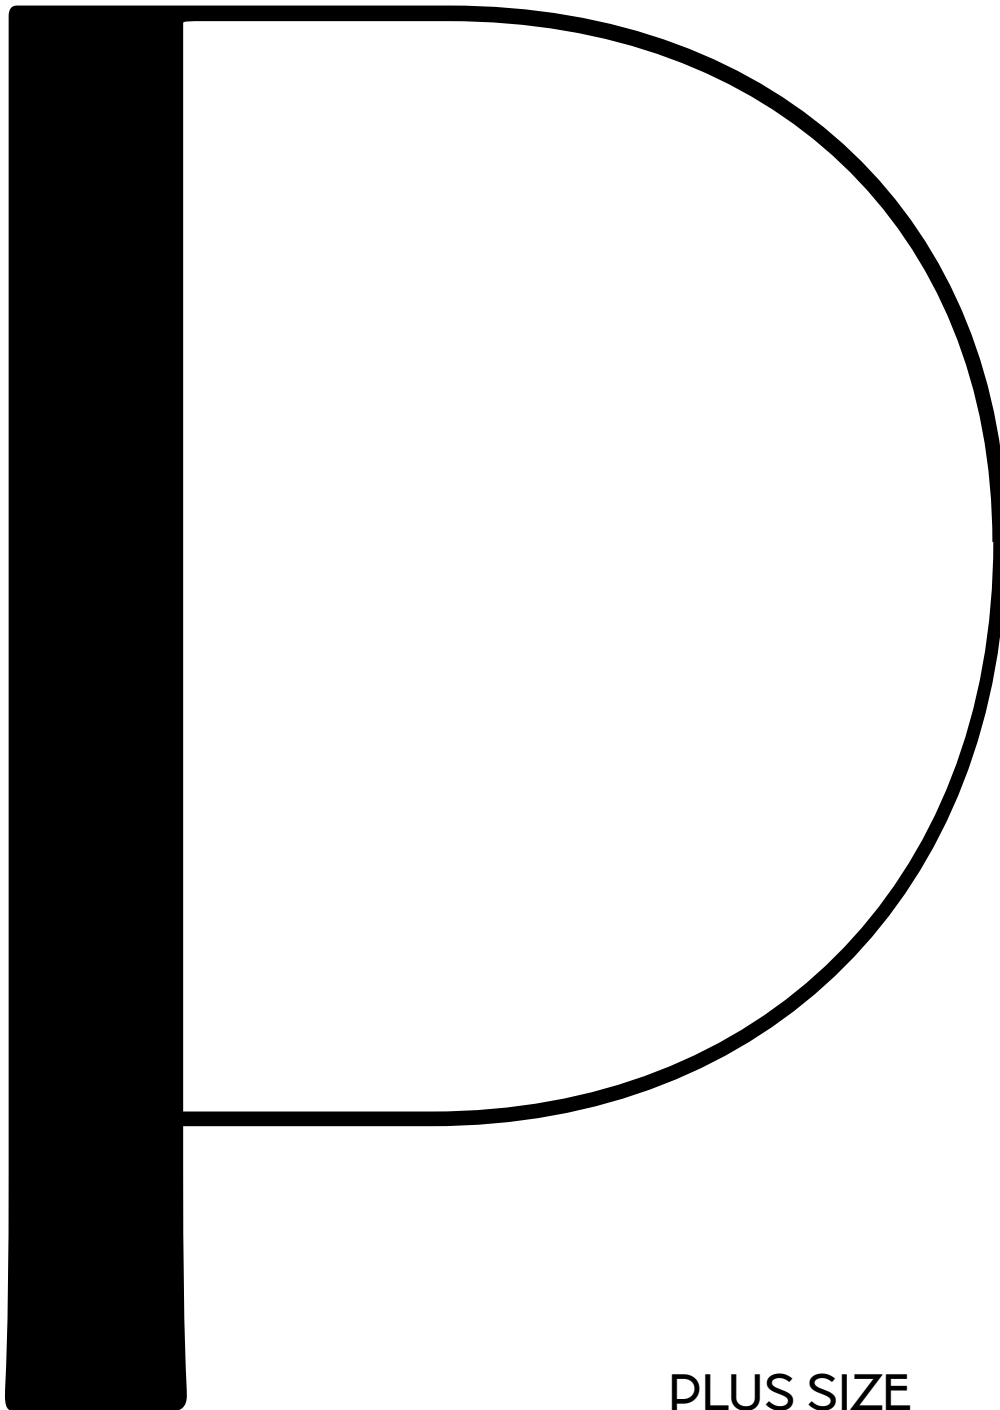

LOOK 4.1 — 8107 BLOUSON — 3124 SHIRT — 2108 PANTS

VIBRANT WOMENSWEAR

fashion with purpose, worn by women who know what they want. we work with color that speaks. with fabrics that carry weight. with cuts that create clarity. our materials are consciously chosen. our silhouettes stripped of distraction. we don't follow trends. we move with direction.

LOOK 6.3 – 3141 SHIRT

PLUS SIZE

LOOK 6.1 – 6109 DDRESS

not adapted. intended. we don't design around the body. we design with it. from the inside out — not scaled from something else. what we do, we do for plus size. and only for plus size. it's not a concession. it's a statement. fit isn't a feature. it's a foundation. we believe in structure over decoration. in clarity over variety. in strength over softness.

BY SENTA
STEINHAUSER

BUILT ON EXPERIENCE.
SHAPED BY A SIGNATURE.

for years, senta steinhauser has shaped plus size fashion. as head designer at verpass, she created styles women could trust — in form, in quality, in presence. by founding VPX, she makes it personal.

A NAME. A VISION. A LINE

her collections are made for women who lead — not to stand out, but to stand strong. not to impress, but to express.

ROOTED

WHERE TIMELESS HERITAGE MEETS BOLD NEW BEGINNINGS

VPX is proud to be the first fashion brand born in coburg, germany — a city steeped in tradition, beauty, and royal legacy. known as the hometown of prince albert, husband to queen victoria, coburg's influence reaches far beyond its borders. it's a place where elegance, strength, and cultural depth have long walked hand in hand.

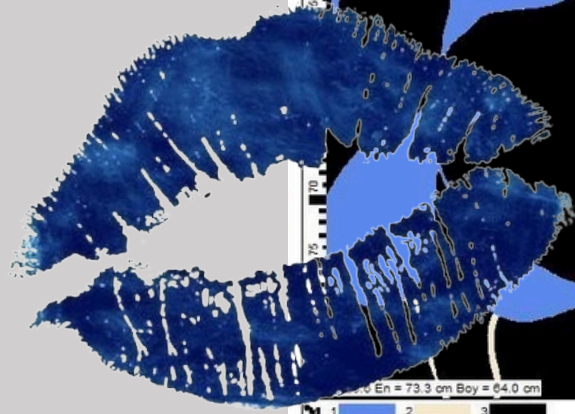

this spirit lives on in VPX.

built on a deep-rooted tradition in fashion, we bring a fresh perspective to plus-size style — expressive, refined, and designed for presence, with quality and sustainability at its core. each piece is made with heart, rooted in coburg, and produced in europe.
